Petition To Revive Unintentionally Abandoned Patent
Application Under 37 CFR §1.137(b)

Sir:

Applicants hereby petition to revive the above-identified patent application which was unintentionally abandoned for failure to respond to a Final Office Action mailed on February 27, 2007, as indicated in the Notice of Abandonment mailed on September 19, 2007.

An Amendment in response to the Final Office Action mailed on

Amendment in Reply to the Notice of Abandonment of September 19, 2007
and the Final Office Action of February 27, 2007

February 27, 2007, had been previously filed on May 22, 2008, including a Request for Continued Examination (RCE). Further, along with the Amendment and RCE, an incorrect Petition to Revive had been filed on May 22, 2008 that included incorrect references to the serial number and dates, as notified by Examiner Alicia Kelley of the Petition Branch by a telephone call to the undersigned on October 29, 2009. Further, the Petition fee had been already paid on May 22, 2008 (along with the RCE fee).

The entire delay from the due date of the reply until the filing of this petition was unintentional.

Respectfully submitted,
